#### RECOGNIZING WHITICAR BOAT WORKS FOR THE 50-YEAR CELEBRATION OF THE "ELEGANTE"

### HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 10, 2014*

Mr. MURPHY of Florida. Mr. Speaker, I rise today to recognize Whiticar Boat Works on the occasion of the 50-year celebration of their 1961 Motor Yacht *Elegante*, built in the same location that this family-run business still resides at in Stuart, Florida. Founded in 1947 by Curt Whiticar, who just celebrated his 103rd birthday last month, this renowned business has expanded but still remains family-run by Curt's son John Whiticar, and nephew Jim Dragseth.

Fifty years ago, Whiticar built the *Elegante* on the very location where they now celebrate the motor yacht's anniversary. Originally called *Aphrodite*, the yacht was built for Fishers Island, New York resident John Hay "Jock" Whitney, a U.S. Ambassador to the United Kingdom and publisher of the New York Herald Tribune. For many years, Jack Whiticar, a brother of the company's founder, served as the captain of the yacht for Mr. Whitney. The yacht, now known as the *Elegante*, is currently owned by Pat and Bill Anton and remains the sole motor yacht ever produced by Whiticar Boat Works.

I am extremely proud of Whiticar for the great work they have done for so many years on the Treasure Coast. From its founding over 66 years ago to the present day, Whiticar has demonstrated a commitment to excellence in serving the boating community and producing excellent custom sport fishing boats. Passed from fathers to sons, Whiticar is a testament to hard work and dedication, a reminder of the important role family-owned businesses play in strengthening our economy. But not only has Whiticar Boat Works contributed greatly to our local economy and boating industry, but has played an integral role in our community, supporting coastal cleanups and efforts to clean our local waterways, encouraging boating safety, and benefiting local organizations such as the Boys & Girls Club. We are so very lucky to have Whiticar as part of our Martin County community.

Mr. Speaker, I again congratulate Mr. Whiticar and Whiticar Boat Works for the 50-year celebration of the *Elegante*, and I am honored to recognize the work they have done over these many years. I am proud that such a terrific organization has made its home in my district, and I wish them continued success and many more milestones to celebrate.

#### THE INTRODUCTION OF THE DISTRICT OF COLUMBIA COURTS, PUBLIC DEFENDER SERVICE, AND COURT SERVICES AND OFFENDER SUPERVISION AGENCY ACT OF 2014

### HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 10, 2014*

Ms. NORTON. Mr. Speaker, today I introduce an important bill for the administration of justice in the District of Columbia. The bill would make minor, technical changes to the authorities of the District of Columbia Courts (Courts), the Public Defender Service for the District of Columbia (PDS) and the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA), placing these entities in the same position as their federal counterparts for more effective management and operation.

This bill would allow the Courts to collect debts owed to it by its employees (e.g., debts from loss or damage to property, improper credit card payments, erroneous payments to employees). The Executive Officer of the Courts would have to provide employees with at least 30 days' written notice regarding the debt collection, and employees would have the right to a hearing conducted by an independent officer. The bill would also give the Courts the authority to purchase uniforms to ensure the safety of its building engineers, facilities maintenance workers and mail personnel. These service employees must regularly access buildings run by the Courts at all hours. The increase in the number of security incidents in courthouses throughout the country and the location of the Courts in the nation's capital require visual security and uniformity of staff to help ensure that unauthorized persons do not enter secure areas.

The bill would expressly allow PDS to accept and use public grants, voluntary and uncompensated services, such as unpaid law clerks and interns, and private contributions made to advance PDS's work. It would also allow PDS board members to be treated as PDS employees for purposes of liability. Apparently, a drafting oversight in the National Capital Revitalization and Self-Government Improvement Act of 1997 makes PDS's volunteer board of trustees District of Columbia employees for purposes of any action brought against board members. This bill would rectify this oversight.

Finally, the bill would allow CSOSA to develop and implement incentive-based programming to accompany its current sanction policies. Combining both sanctions and incentives has been proven to be more effective in improving compliance with supervision. The bill also would authorize CSOSA to solicit, receive and use gifts for the purpose of advancing its work, and would require the Director to keep detailed records on the use of CSOSA's gift authority. It would also permit the Director to enter into cost-reimbursable agreements with the D.C. government for space or services provided. The D.C. government is a frequent partner of CSOSA due to its location in D.C. and CSOSA's mandate to assist in the reintegration of D.C. code offenders into society. Giving CSOSA the authority to enter into reimbursable agreements with the District is necessary to assist CSOSA in its daily work.

I urge my colleagues to support this important legislation.
